## PROFESSIONAL SUMMARY

Administrative and Finance professional with 4 years of experience supporting finance office operations, bookkeeping, and administrative processes in a fast-paced environment. I triple-check every financial document before submission, keep confidential records organized, and consistently deliver work on time without requiring follow-ups. Experienced in coordinating administrative tasks, preparing reports, managing documentation, and providing dependable support using Microsoft Excel, Google Workspace, and AI productivity tools. Currently expanding my expertise in Xero, QuickBooks Online, and Shopify to support Executive Assistant, Administrative Assistant, Bookkeeper, and E-commerce Virtual Assistant roles.

## KEY SKILLS

Bookkeeping | Accounts Payable | Accounts Receivable | Bank Reconciliation | Data Entry | Invoice Processing | Financial Record Management | Microsoft Excel | Google Sheets | Xero | QuickBooks Online | Shopify | Inventory Management | Order Processing | Customer Support | Email Management | Google Workspace | Canva | ChatGPT | Time Management | Attention to Detail | Administrative Support

## PROFESSIONAL EXPERIENCE

### Finance Office Student Assistant

*Cor Jesu College, Inc. | June 2022 - July 2026*

- Assisted the finance office with daily bookkeeping and administrative operations, maintaining accurate financial records and confidential documents.
- Processed 100+ financial documents, payment records, and invoices weekly while ensuring completeness and accuracy.
- Maintained digital and physical filing systems, improving document retrieval and organization for finance personnel.
- Prepared reports, spreadsheets, and financial documentation using Microsoft Excel and Microsoft Word.
- Assisted students, faculty, and staff with finance-related inquiries while providing professional customer service.
- Supported cash collection, payment recording, and other finance office administrative tasks.
- Collaborated with finance staff to ensure timely processing of office transactions and documentation.
